15th December 2020

Dear Parents/ Carers

You will know that Islington council had advised all schools to close from today (Tuesday 15th December). The decision was based on the latest health information which shows a very rapid rate of transmission and increase in cases of COVID-19 in Islington. That position has not changed.

However, central government has advised that schools should be open on Wednesday 16th December, lessons will be delivered online but students can access these from home or in school if they wish.

On Thursday 17th December and Friday 18th December schools have now been granted additional INSET days but we have already set up remote learning plans so that will continue on those days. The last day of learning for students is Friday 18th December after period 4.

The new term starts on January 4th 2021 and students will be expected to be in school on that day.

Thank you for your support throughout this term and for your patience as the situation has developed over the past few days. We really appreciate how difficult this is for you. I look forward to welcoming all students back into school safely in January.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Alan Streeter'.

Mr A Streeter
