27th February 2020

Dear Parents/Carers,

Following the success of last year's '**Change**' conference, we have decided to make conference day an annual event in the school calendar. This year's theme is '**The Power of One and the Power of Many**'. The conference will take place on **Friday 27th March, 9:30am-2:45pm**. The day will involve talks, workshops and activities, led by staff, students and guests around empowerment, resistance inclusion and sustainability.

Please be aware the school will not be open for normal business on 27th March.

The conference will involve staff, members of the community and students who successfully apply to take part. Application forms are available in school for your child to apply to participate. If your child is not taking part in the conference day they will be expected to work at home. All teachers will set work for the classes that they would normally teach using Show My Homework. This must be submitted online or in class by their next lesson.

We appreciate your support with this day and look forward to working in partnership with you in continuing to shape the future of Beacon High.

Yours faithfully,

S McDonald
