BEACON HIGH

Out of Hours Learning, Extra-Curricular Clubs and Activities

At Beacon High we recognise the importance of learning outside of the classroom. We believe that students come to us with their own passions, interests and talents, which will develop and possibly change over their time at school.

We provide a range of extra-curricular activities and clubs to support students, broaden their experiences and skills and offer creative, sporting and academic challenges beyond their timetabled lessons.

Monday			Tuesday		Wednesday			Thursday			Friday
